

## CACI – Chronic Kidney Disease Worksheet (CKD) Updated 11/25/2015

The Examiner must review a current status report by the treating physician and any supporting documents to determine the applicant's eligibility for certification. If the applicant **meets ALL the acceptable certification criteria** listed below, the Examiner can issue. Applicants for first- or second-class must provide this information annually; applicants for third-class must provide the information with each required exam.

AME MUST REVIEW	ACCEPTABLE CERTIFICATION CRITERIA
A current status report from the treating physician that notes the airman: <ul style="list-style-type: none"> <li>• Is asymptomatic and stable;</li> <li>• Has not developed any new conditions or complications that would affect renal function;</li> <li>• Any underlying conditions (such as diabetes, HTN, glomerulonephritis, PKD, or chronic obstruction) are well controlled; and</li> <li>• Comments that dialysis or transplant is not recommended or anticipated at this time.</li> </ul>	<input type="checkbox"/> Yes  **Please provide a detailed typed "History and physical format" report to include everything listed on this form.
