

Lost Medical Certificates:

Once the A.M.E. issues the flight medical certificate and transmits the exam they are unable to print another certificate. If you lose or destroy your flight medical certificate you need to contact the F.A.A. at 405-954-4821 X 1. Explain the situation and they will direct you to the information to get a replacement certificate. If you need one immediately due to a flight you are scheduled to work you can request to have a copy faxed to your A.M.E. OR me, my fax is 734-455-5050.

Robert J. Gordon, D.O.

Senior A.M.E. for F.A.A.

965 S. Main

Plymouth, Michigan 48170
