

TO ALL PILOTS WHO WOULD FLY “SPORTS PILOT” IF THEY COULD NOT QUALIFY FOR ANY OTHER CLASS OF MEDICAL.

The new “Sports Pilot” medical allows you to fly under a limited set of rules with a valid driver’s license, but you cannot have had a deferral or denial of any other class of medical certificate. If you think there may be ANY medical condition that you may have which would disqualify you for your medical **DO NOT WRITE ANYTHING ON THE 8500 form** or have us import the exam on Medxpress until your exam is done. Once you write anything on the form I am obligated to send it into the FAA. If you have any questions let me know.

Sincerely yours,
